Fast CAT

The Fast CAT is a timed straight race of 100 yards where a dog chases a lure in a course enclosed with fencing. Dogs are run singularly and earn points based on their handicapped speed. There are no placements. Titles are issued at designated benchmarks. The dog's time to complete the 100 yard dash is converted into MPH. Dogs earn points based on their handicapped speed. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- 18" or greater = handicap is 1.0
- 12" up to less than 18" = handicap is 1.5
- Below 12" = handicap is 2.0

Points = MPH multiplied by the dog's handicap

Titles are earned by accumulating points. The following titles will be awarded:

BCAT = 150 points
DCAT = 500 points
FCAT = 1,000 points
FCAT# = every additional 500 points.

Top 20 by Breed by Year: The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed. To appear in the standings you must complete three qualifying runs. Your posted speed from that point on will be the average of your top 3 runs.

Pick up after yourselves. We will provide trash cans.

PANDEMIC NOTICE

In Tennessee, social distancing has been a community effort. People are aware of themselves and others and the proximity to each other whether you are by yourself or with other people in your circle. Everyone has adopted the attitude of YOU before ME and are checking their ego at the door. We are expecting the same attitude to carry over as people come from all over the country to help show that events CAN be held!

- Clubs, officials, and participants are required to follow national, state, and local guidelines that apply to the area and site where the event is held.
- Rules will be posted at the show site.
- **Each person is responsible for their own safety.**
- Be prepared to wear a mask at all times while on the trial field, depending on rules in effect at the time.
- Exhibitors should wash hands as frequently as possible.
- Avoid shaking hands, hugging, or other physical contact.
- Avoid touching dogs that are not your responsibility.
- Avoid common use pens and pencils. Bring your own.
- Exhibitors must provide their own scoops for cleaning up from their dogs.
- Be self-sufficient – bring sanitizer, wipes, and personal use masks.
- Do not congregate at the release or catch areas.
- While on the field, maintain social distances with other exhibitors.
- Exhibitors and event staff are required to self-access daily.
- Exhibitors and event staff must notify staff if they have symptoms of acute respiratory illness consistent with COVID-19 immediately – such as fever, cough, chills, muscle pain, headache, sore throat, or shortness of breath – that is not explained by another medical or allergic condition.
- Exhibitors and event staff exhibiting symptoms of acute respiratory illness will be separated from events and exhibitors and sent home.
- Management will assess what areas of the venue were visited, used, or impacted by the infected individual and implement CDC approved cleaning guidelines immediately.

TIPS FOR HANDLERS

1. The course is fenced and located at Leeper Lane Park. However, it is strongly recommended that prior to running your dog, you have good “recall” control over your dog, as the dogs will be off leash.
2. Handlers should wear comfortable shoes and be physically able to hold and release their dogs, as well as catch them.
3. Dogs will be brought to the start line on leash and released only upon a verbal signal (“Tally-Ho!”) from the Huntmaster. Dogs may be released by hand, folded leash or using a traditional lure coursing slip lead.
4. **Handler should have someone familiar with the dog at the end of the course to retrieve the dog or have someone else release their dog at the start line. The handler is expected to promptly secure the dog and leave the field with the dog on leash.**
5. Lure coursing is a physically demanding sport so make sure your dog is in good shape. If you are not sure, make an appointment with a veterinarian to get an opinion.
6. Handlers are advised to warm up their dogs prior to their run and walk them for about 10 minutes afterwards.
7. Any person, upon reasonable complaint, may be asked to leave the grounds of the test by the Field Committee and may be disciplined by the AKC. Children must be under control of their parents or guardian(s) at all times.

Neither Jackson Tennessee Dog Fanciers Association, nor its members, will be responsible for any accidents at this trial.
